

Course Information

Job Ready Program; VU21664 *Prepare for employment* BSBWOR203 *Work effectively with others*

About the course

This course will be delivered at your Jobactive providers premises. There are two phases to this program to enhance your skills & knowledge toward securing employment or the option of further study. With our Skills & Jobs Australia team of representatives, you will be fully supported by our Trainer/Assessor in the theory and practical component of this qualification. Furthermore, you will be fully supported by our Reverse Marketers as a pathway towards employment. The Skills & Jobs Australia team of representatives is there to assist you to reach your goal.

The Program consists of two units of competency. These are: VU21664 Prepare for employment and BSBWOR203 Work effectively with others from 22280VIC *Certificate I in Employment Pathways*. This program is designed to focus on the orientation to work options and pathways to further specific vocational education and training. The purpose of this program is to enable you to develop skills and knowledge to improve your employability and work readiness and to assist you to re-engage with learning. It is also an opportunity for you to enter further study if you choose this option. The focus of the program is based around orientation into the workforce and pathways into further vocational study. During the program, your work interests will be discussed, and your career pathway plan will help guide you to take action towards reaching your career goal.

The selected units of competency support the development of foundational skills and knowledge that include:

- preparing for initial work and/or further learning by exploring work preparation options and pathways
- developing and documenting an action plan for career planning
- identifying strategies to enhance personal effectiveness to support you in the workforce or further study
